School's Out Holiday Squad - After School Club - April 2022 Newsletter

Message from Chris

"Hi to all our parents and guardians and welcome to April's newsletter"

We have finally received our Ofsted report and it reads fantastic. I am really pleased with the outcome, and I look forward to continuing delivering high standard childcare provisions to your children, who are a credit to the club. The report can be found on either our website or Ofsted's website.

We are launching another After School Club at Meadowhead Infants which is a fantastic opportunity for the club to branch out. Nothing will change at the Shadsworth venue however, I will now be splitting my days to manage both Shadsworth and Meadowhead from June 2022. If you wish to speak to me, my phone is always available or drop me an email and I will respond at the earliest opportunity.

Arts & Crafts + Food Technology

Our Technology and Arts & Crafts leadership has changed, which Katrina will be organising and will be ready to start from the 3rd May.

The Arts and Crafts sessions will be organised for Tuesday and Wednesday.

Our Food Technology sessions will be held on a Thursday evening.

Sports & Play Opportunities

This month we will be hoping to open our grass area for the pupils to play games such as tag rugby, football, rounders, and quick cricket. It's a great opportunity for children to explore different games that they may never have tried.

Dodgeball will continue to be played indoors alongside our regular darts competition

SOHS Club Events

- **Dodgeball Club:** We have decided to only host our dodgeball club on Wednesdays only, which started on 27th April. Get in touch for more details and booking information.
- **May Half Term:** We currently have spaces available during our May Half Term camp. Please get in touch today to avoid disappointment.
- **Kids' Parties:** We have limited spaces available on weekends for children's parties. Get in touch for more details.
