School's Out Holiday Squad - After School Club - June 2022 Newsletter

Message from Chris

"Hi to all our parents and guardians and welcome to June's newsletter"

A massive thank you to all the parents at Meadowhead for welcoming us to your school, a friendly atmosphere and the children have been great. We have loved getting to know everyone and allowing the children to explore all our games which we provide for them each day.

We now move into the last month of the academic year. Please make sure you are aware of our 'dates for your diary' especially the 22nd July, which both after school clubs will be closed due to our facilities closing early.

Arts & Crafts + Food Technology

We introduced our food technology program to Meadowhead pupils this month and they have loved making their own tea and trying new foods. We have held a pasta night, wraps and subway night.

Since the weather has been really kind to us lately (fingers crossed it will carry on), both clubs will now focus on making desserts on a Thursday night.

Sports & Play Opportunities

The children are loving playing our sports program outside, also playing mini games that the children have set up for each other to play.

At both venues we will be playing rounders for our main outdoor game during July with football to finish off the daily program.
