School's Out Holiday Squad - After School Club – February's Newsletter

"Hi to all our parents and guardians and welcome to February's newsletter"

A fantastic start to the new year!

Welcome to our February newsletter! We hope you've all had a great start to the year. February is shaping up to be a fun-filled month at School's Out Holiday Squad, with plenty of activities, creativity, and excitement planned for the children.

We have 2 weeks remaining of this term. Please be aware that term 2 dates will be available to book from the 13th February.

For those who require childcare through the half term week, we have two locations (Shadsworth & St Pauls) which will host our holiday club. We currently have spaces available but please book early to avoid disappointment.

Arts & Crafts + Food Technology

Our creative sessions will focus on seasonal and valentines themed crafts, allowing children to explore their imagination and take home their own creations.

Food Technology will focus on the Chinese New Year in the final weeks of this term. That's right, we will be hosting a Chinese night very soon. One of the children's favourites from last years' experience.

Star of the Week

Our Star of the Week awards continue to celebrate children who demonstrate kindness, effort, teamwork, and positive behaviour. We are incredibly proud of all our stars – well done!

Dates for Your Diary

- 7th February – All invoices to be cleared
- 13th February – Bookings for Spring Term 2 are live on the booking portal
- 16th February – Holiday Club begins at both Shadsworth & St Pauls
 - 20th February – Holiday Camp Closes at 6pm
- 23rd February – After School Club reopens at all 4 venues

Sports & Play Opportunities

We continue to offer a wide variety of indoor activities this term, giving children the chance to stay active while having fun. From team games and sports challenges to free play and organised competitions,

We aim to move our sports program outdoors in the coming days, weather dependent, and allow free play in our internal parks, trim trail and gyms.

SOHS Club Events

- **February Half Term:** We have spaces available at both venues, please contact us for further details.
- **Kids' Parties:** We have limited spaces available on weekends for children's parties. Get in touch for more details.
- **Neon-Disco Dodgeball:** Exclusive school invites only for 2026.
