School's Out Holiday Squad - After School Club – April's 2024 Newsletter

Message from Chris

"Hi to all our parents and guardians and welcome to April's newsletter"

We hope you are all enjoying the Easter break. We still have another week off, with the After School Club resuming at both hubs on Monday 15th April. Dates for April are now live on the booking system for you to book your required dates. We have extended the payment date for April to the 12th April as I know some parents have gone on holiday.

We currently have spaces available at both hubs so please, if you know any parents who require after school provision, we would really appreciate the recommendation to them.
